ST. RITA HIGH SCHOOL

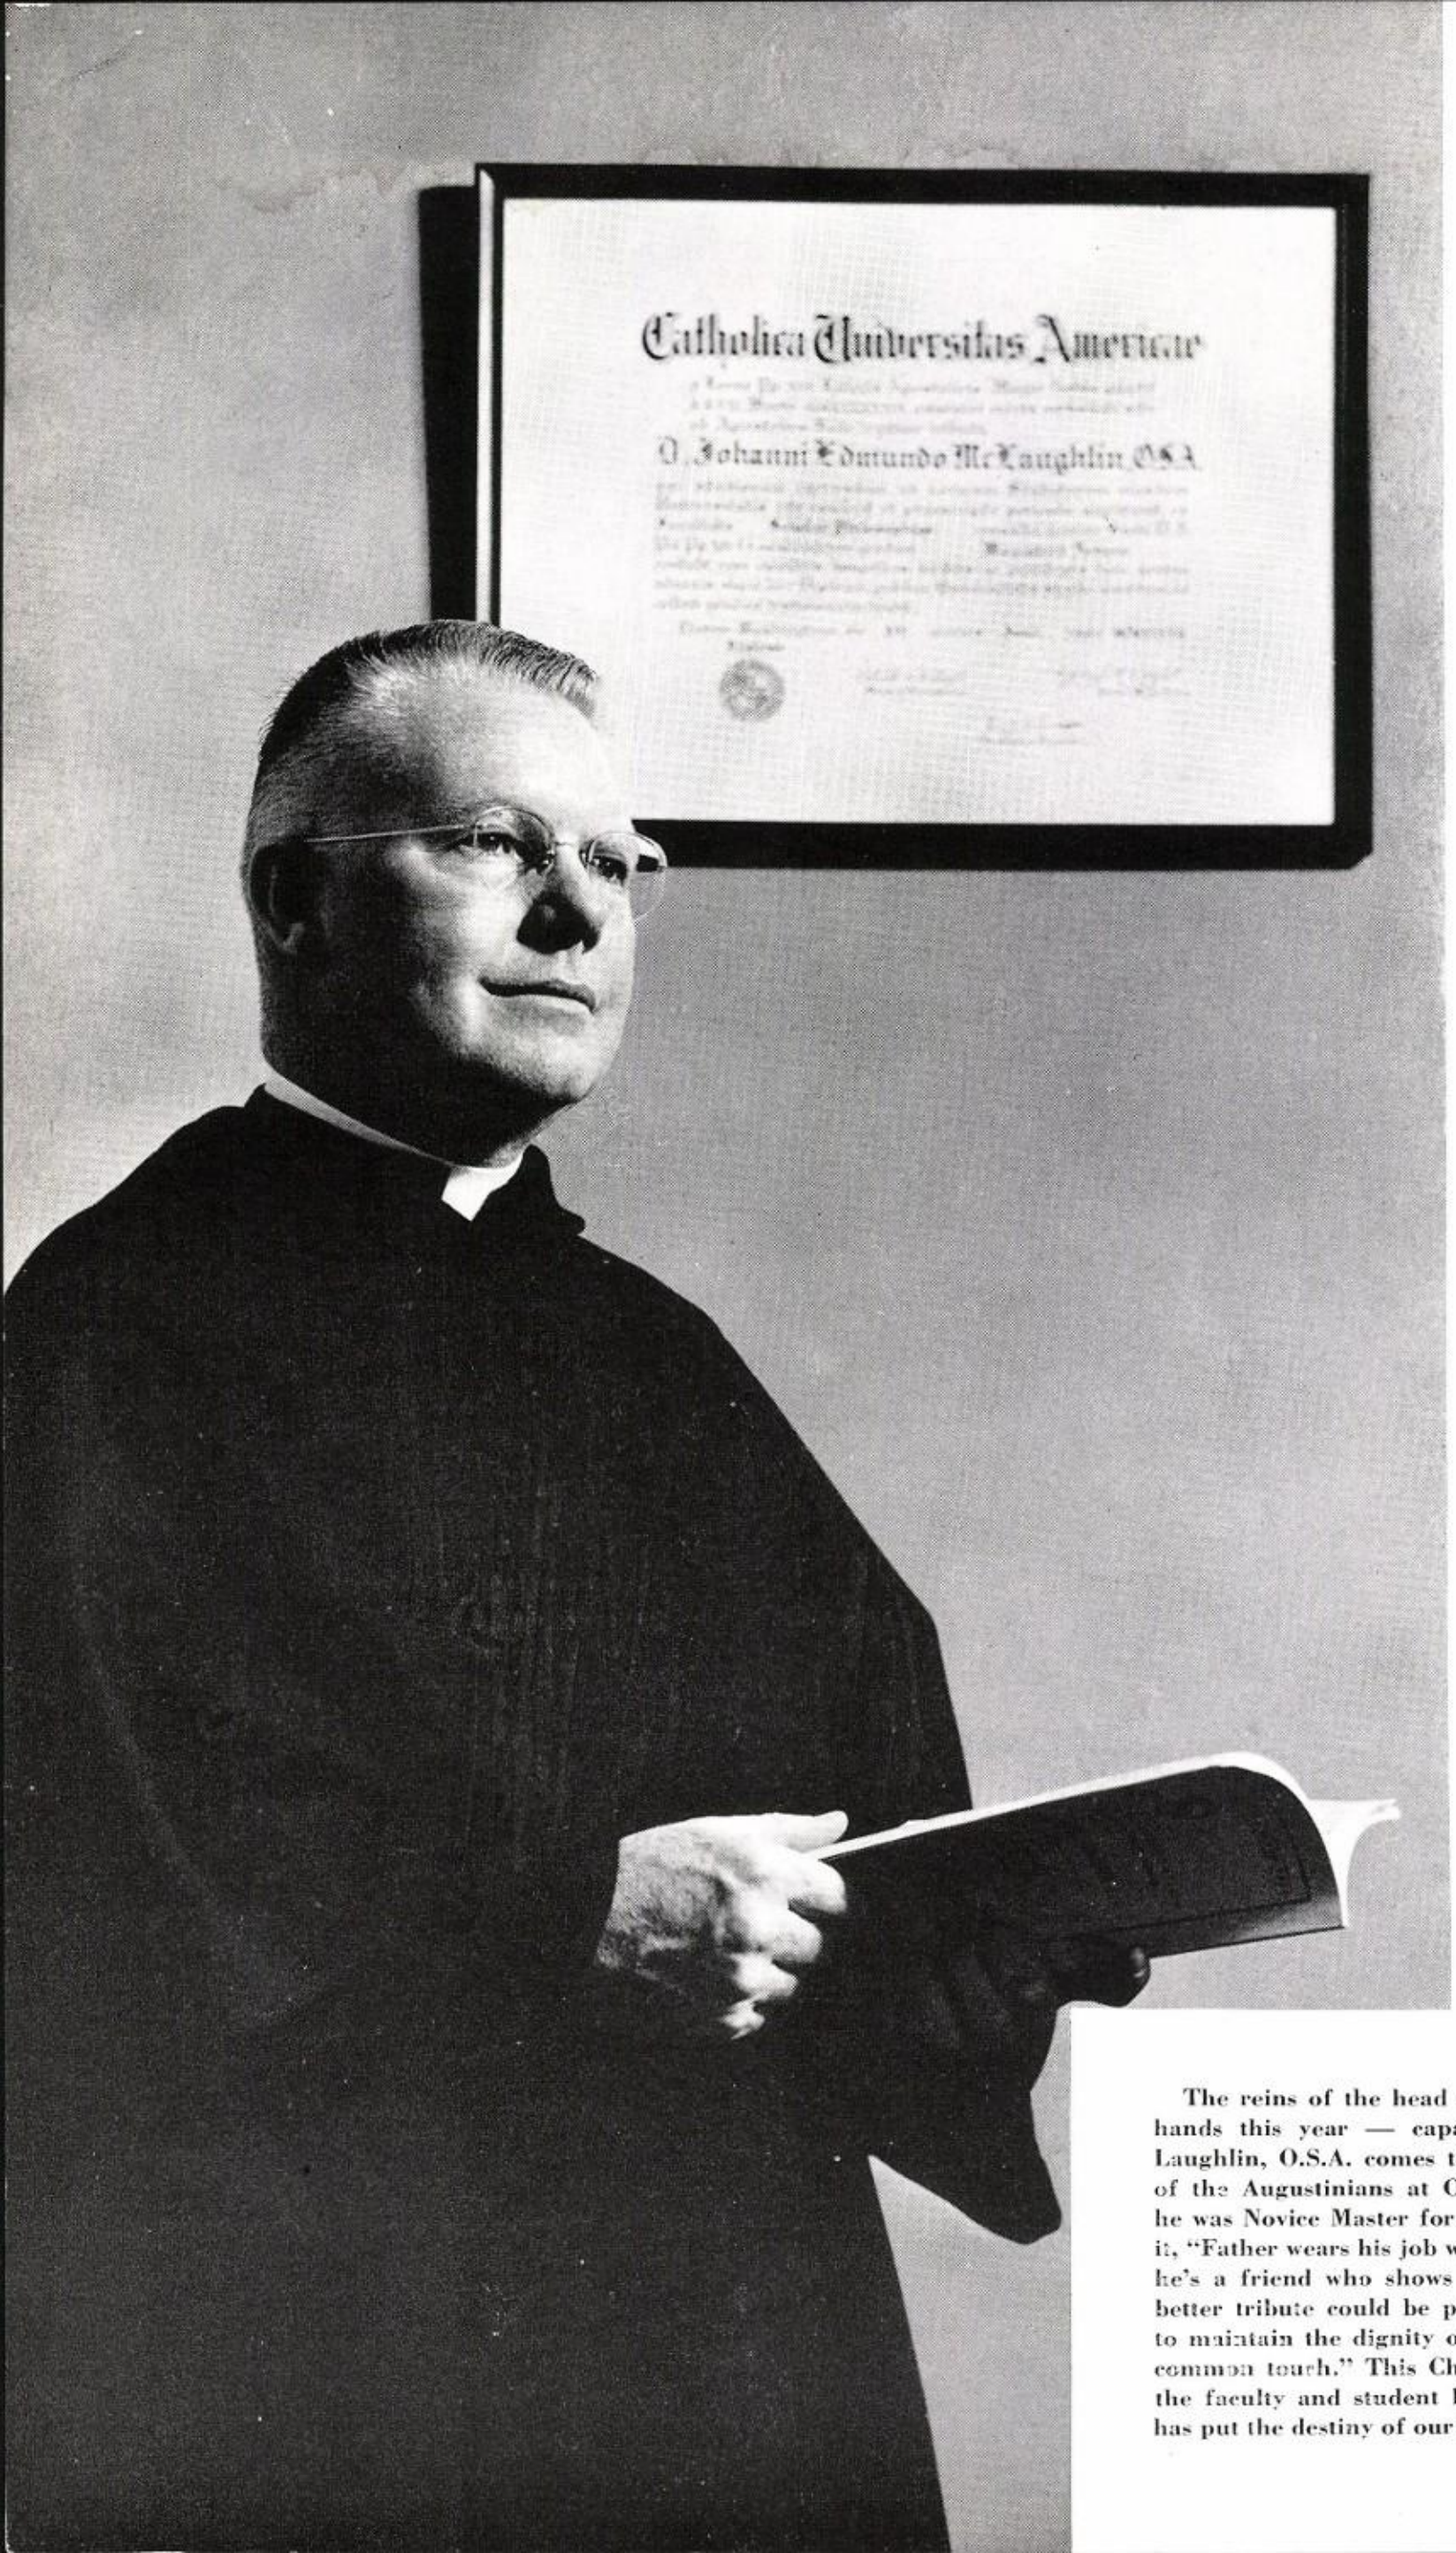
CHICAGO • ILLINOIS

PRESENTS...

Dedication to Saint Rita

The most common sin, claim countless preachers and writers, is taking things for granted. Saints, too, like many good people, are taken for granted. Sometimes they are ignored, other times forgotten, even by the very ones who owe them the most. Proof? You have had a saint's name since Baptism, a model and a guardian, yet when was the last time you gave him a thought, let alone a prayer? Catholic schools, in a sense, are also baptized. And what of the saint whose name is part and parcel of everything associated with our school? St. Rita is all but a stranger to many of her adopted sons — the men, young and old, who teach or study within the walls hearing her name. We mouth the words "St. Rita" a hundred times a day, and they are just that — mere words.

To make us more conscious of what is behind her name; to stir up interest in her name and life; to thank her for being what she was, and giving us her name as a sacred trust; to thank her for the loving and motherly concern with which she must peer down from heaven's window and look through our windows, we dedicate this yearbook to our namesake and patron, St. Rita. This is the 500th anniversary of St. Rita's death. As "The Saint of the Impossible", she must feel at home watching over a school. For it is in school, above all places, that life seems impossible now and then: for teachers, because it sometimes seems impossible to make the truth soak and sink into heads and hearts; for students, because it is all but impossible at times to buckle down to learn the truth and live it. What better saint then, to work and play under, to run to for comfort and help through prayer, than she, St. Rita, who made before in her own life and can make again, in our lives, the impossible possible!



"A Hearty Welcome"

The reins of the head office of St. Rita fell into new hands this year — capable hands! Father John McLaughlin, O.S.A. comes to us from the minor seminary of the Augustinians at Oconomowac, Wisconsin, where he was Novice Master for seven years. As one senior put it, "Father wears his job well, he's more than a principal; he's a friend who shows he wants to help you." What better tribute could be paid to Father's unusual ability to maintain the dignity of his office, and yet keep "the common touch." This Christ-like characteristic has won the faculty and student body to his side. God, we feel, has put the destiny of our beloved school in safe keeping!

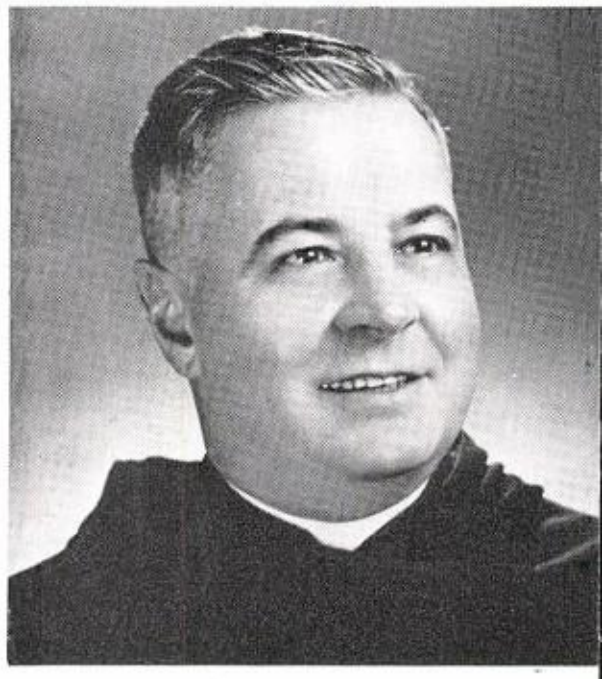
Right

Father Crawford, O.S.A., an old friend in a new place—the Director of Studies Office.

Below

Two familiar faces, Father Vander Beek, O.S.A., and Father McArdle, O.S.A., check notes (or is it the "JUG" list?) at a familiar door.

Seeing salesmen, directing workmen and doing the buying for a large school keeps Father Horne, O.S.A., on the move.



The heavy burden of running the Monastery falls to Father Fink, O.S.A., the Prior.

There's more to a pair of broad shoulders and a well-built body than strikes the eye. Equally true, there's more to a good school than doors and windows, or bricks and cement. It's the students and faculty that give life to a school, that give it a good name or a bad one.

St. Rita High School is proud of her good name and the men she turns out and, as beneath a sturdy body there beats a strong heart, the strong heart within the walls of St. Rita is its faculty, priests and laymen.

"The men behind the man make the man," and it is our faculty, in its unselfish devotion to growing Catholic men, which schools and trains minds now, builds character for the future, and prepares sou'ls for an eternity.

The Seniors

Four years go by pretty quickly. In fact looking back you can't account for them. So much happened! But graduation is here, and with the happiness it brings there's a tinge of sadness. Faces we saw every day we will probably never seen again; the laughs and jokes in class, "boners" we pulled, the "jugs", and those "bang up" intramural games are all over now, gone but not forgotten. It's strange but true: you can't wait to graduate, yet you hate to leave in so many ways. St. Rita was good to us, and we trust the school is better for the class of 1957 having been here.

The Juniors

With the greenness of a Freshman and the awkwardness of a Sophmore behind him the Junior is now beginning to realize the importance of moulding the present to shape the future. As an upper classman a Junior begins to understand more fully the obligation he has to his family, his school and himself.

It is in the third year that a Junior begins to specialize in a certain field focussing his attention and efforts on the courses which will better equip him for the future—college or work.

The Sophomores

Our Sophomores were over 500 strong this year. The Sophomore age is an awkward one, so they say, since you shoot up so fast physically. But you grow up other ways, too. As Sophomores, we have the feel of things at St. Rita now, we think, and this year's Sophomore class showed its worth best by the overwhelming support it gave to the Propagation of the Faith drive. What better proof of the unselfish spirit that burns in our sophomore sections, a spirit that can't help but make St. Rita what we all want it to be.

Freshman Class

The scramble and cry to get into Catholic high schools reached a new fury this year. Last September St. Rita did her share to satisfy the heavy demand by opening her doors to over 700 new students. The step inside was a big one for them — but a happy one! Going from grammar school to high school meant a change of life and ways: new faces in the classroom, being taught by men instead of women, getting used to new rules and surroundings. But in a few weeks "the greenness" wore off, and boys began that miraculous change of "growing up", becoming young men and no longer children. Yes, high school is a new world, and at St. Rita a man's world! Freshmen here are treated like men, and they like it.

Living Languages

The speed of travel today is making a small thing of distances. In the service, in business, and on vacations Americans are rubbing shoulders with people we once only read about. Language is now the biggest barrier to understanding the people of many countries. This partly explains the heavy emphasis on foreign languages in many schools.

St. Rita offers her students Latin, Spanish, and German. To add a flavor to these courses, the background, customs, dress, and habits of the people speaking the tongue are also studied. Singing a rousing German song, reliving Roman life in the Coliseum, or sitting in on a Spanish fiesta, gives a deeper understanding of the language An insight is gained that dull exercises of memory can never give. It is in this way that languages really take on life, and the world-vision of students is broadened. It is an important step, too, in learning to get along with the people of other lands.

St. Rita's High School Glee Club

Director .....Rev. Father J. Van der Beek, O.S.A.
President .....Michael Smith
Vice-President .....Anthony Kantor

In the second year of its existence the Glee Club showed a definite growth in the number of members as well as in its programs. Besides the student members of St. Rita, girls of various high schools were accepted in order to make it possible to enrich our programs.

Shortly after we sang the opening-Mass of the school year, we presented a program to the parents and friends of the members under the title of "Getting to Know You."

During the Christmas season the Glee Club received a selective invitation from the Commonwealth Edison Electric Company for a program of Christmas Carols. The program was very well attended and a great success.

The parents and friends of the Glee Club were also invited for a special Christmas program in the new annex of St. Rita's High School. We were happy to see the great interest for our work on the part of our parents and friends.

The Glee Club assisted in the Christmas celebration at the Sunday before Christmas and the Mid-night Mass in the St. Rita's chapel.

In the spring at the invitation of the Mothers Club another program was presented at their Past-Presidents Night.

After joining with the band in the Spring Festival, the season was brought to a close with the singing at the Graduation Mass and Exercises.

Band

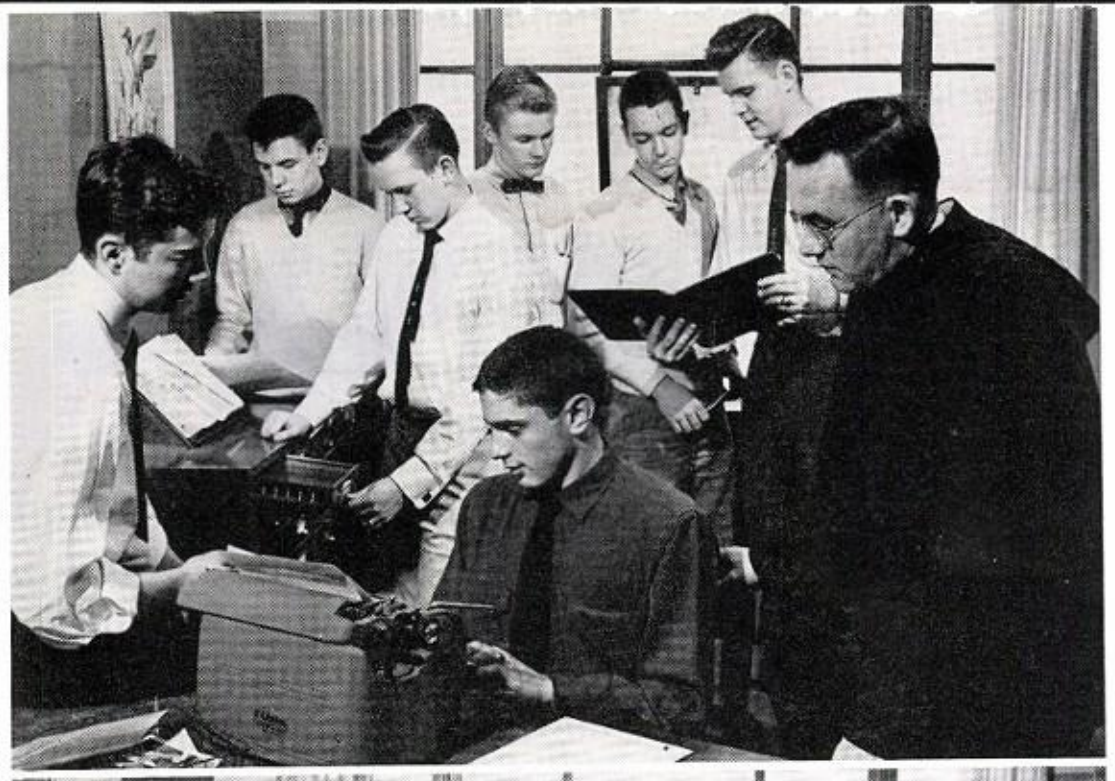
Several weeks before school began, the Band was "whooping it up" at the Democratic National Convention in the Ampitheatre at the invitation of Governor Chandler of Kentucky. A few more weeks of intensive drill and the season was on for the Show Band — a gay night at Riverview Park's Mardi Gras and then several outstanding shows at the football games — under the superb direction of Bob Black, '40, beginning his second decade as Director. The Chicago Cardinals Football Club invited the Band for the Giant's game, and after favorable comment from fans and television viewers invited them back again for another show at Comiskey Park for the Steeler's game. The Marching Band was the 'Best band in the land' at the St. Patrick's Parade on State Street — the outstanding televised parade of the year. The All-Star Band performed indoor shows for a college doubleheader at Chicago Stadium and for the Globetrotters at Rockford. The Spring Festival in May saw the Band in Concert at Maria Auditorium after pre-vue performances at St. Hedwig and Angel Guardian Orphanages.



The Ritan

One of our school's most rewarding and interesting activities is the publication of the school newspaper, the *Ritan*. The clack of the typewriter, the feverish activity of the staff, and the thunder of its moderators' voices are familiar sounds in the Ritan Room in Egan Hall as the paper is made ready for the printer. This deadline strain, however, is forgotten when the finished product is ready for distribution to the student body.

The Ritan offers the members of its staff an opportunity to look into the field of journalism as a possible career in the future. The moderators of the Ritan, Fr. Flynn, O.S.A. and Mr. Jeffrey have tried to extend this opportunity to as many students as possible.

The aims of the Ritan have always been to inform and entertain the students, to keep the high ideals of their faith and school before them, and to act as a medium of their opinion. Under the editorship of Roger Flynn, the Ritan Staff this year has accomplished these aims in eight excellent editions and are certainly worthy of a hearty, "Well done!"

The Cascian

This was a year of many changes at St. Rita, and the Cascian followed suit. Fathers Burke and Van Sile took over the moderator's responsibilities, while the burdens of the editor fell to Robert Mucha and Kenneth Scipta.

A year book is meant to be a keepsake for a lifetime, not just a day or a year. More hours go into trying to make the Cascian such a keepsake than the casual reader of our yearbook realizes. Work starts early in September with the scheduling and taking of class and activity pictures. A cover and design that's different and appealing has to be picked, "dummy pages" arranged and touched off by a catchy caption or write-up, and finally a double and even a triple check is made of all the copy. You pray that not too many names were left out or misspelled, or feelings hurt. Spread over the year, the work adds up to countless hours of sweat and worry. But it's worthwhile if the Cascian wins a nod of approval in its attempt to tie together the school year. There is the further hope that it will find a lasting place on your bookshelf at home, and help you in the future to recapture some of the memories and joys of the good old days at St. Rita.

It's a talent that will brighten the picture of their own future.

The National Honor Society is made up of the "cream of the crop" of the senior class. Membership is based on the student's academic record as well as his extra-curricular activities. A number of scholarships are open to the students in the society, and in addition there is an active social program throughout the year, informal dances and parties that have always been a success.

Under the capable guidance of Father J. Hartman, O.S.A., the students in this exclusive club, St. Rita's best all-around men, are prepared and expected to bring great credit and acclaim to themselves and our school in the future.

The Fathers' Club of St. Rita High School has been in existence for 27 years. The club renders valuable service to the school by its contribution of time, effort and money. The members of the club usher at all athletic events and dances, contribute trophies to all athletic teams of the school, and willingly assist at nearly every project the school sponsors. The Fathers' Club also sponsors the football Banquet every year, in addition to sponsoring a trip to camp for the football team each August.

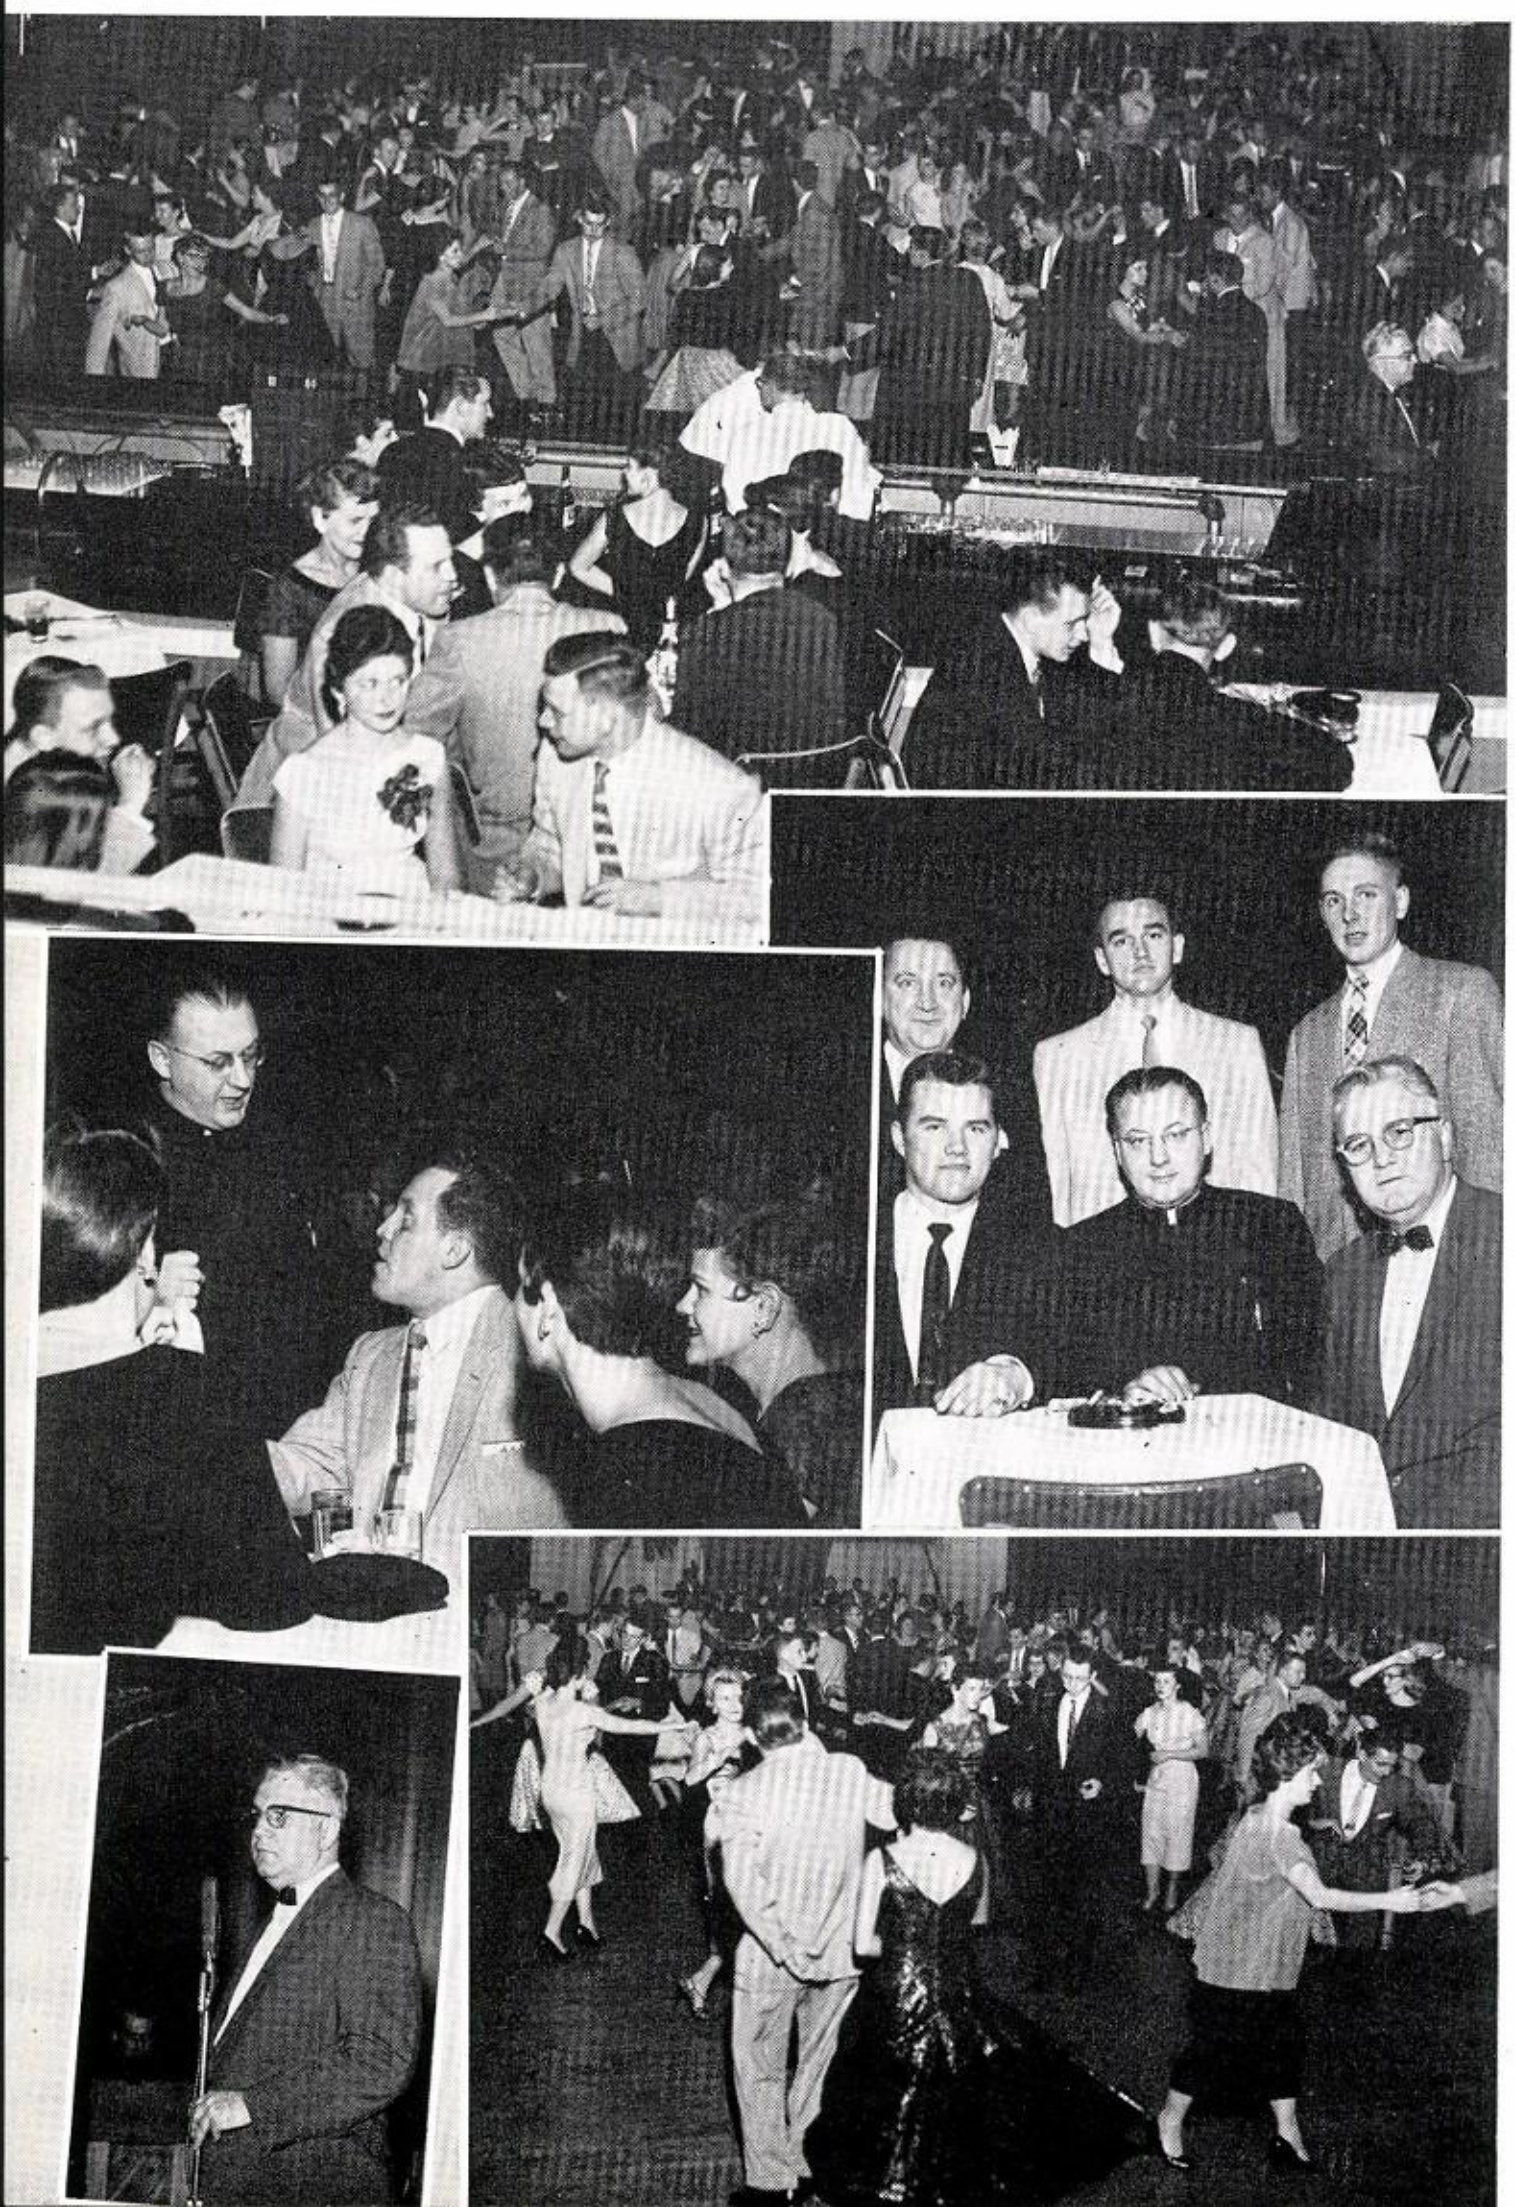
From the dues of the members a fund has been set up to pay tuition for the sons of members who have died while their boys were still in school.

All fathers should belong to the club. Membership entails no obligation to be active, but does lend moral support to the active members. The club meets the second Friday of every month.

Alumni

The St. Rita Alumni Association started the year off with the annual memorial Mass for its deceased members. The Mass was celebrated by Father Thomas McGowan, O.S.A., Alumni Director. Father McLaughlin, O.S.A., the new Rector of St. Rita High School, preached the sermon. After the Mass all alumni present were served breakfast and attended the Homecoming football game.

Regular monthly alumni meetings were held on the first Tuesday of each month, September through June. This year's activities included the Alumni-Varsity basketball game, held just before Thanksgiving, and the third annual Alumni Ball, held at the Holiday Club on December 28th. The basketball award dinner, sponsored by the Alumni, took place at the Club Casino on April 4th. An all opponent team picked by the St. Rita basketball team was invited to the banquet, each player receiving a trophy.



The final social event was the annual Alumni Banquet, the largest ever held at St. Rita. It was held this year in the Casino Room of the Morrison Hotel on April 24th. Approximately one thousand attended to honor the Silver Jubilee Class of 1932.

The active program of the past year was possible through the fine cooperation of the officers with the alumni moderator, Father Thomas McGowan, O.S.A. This year's officers were:

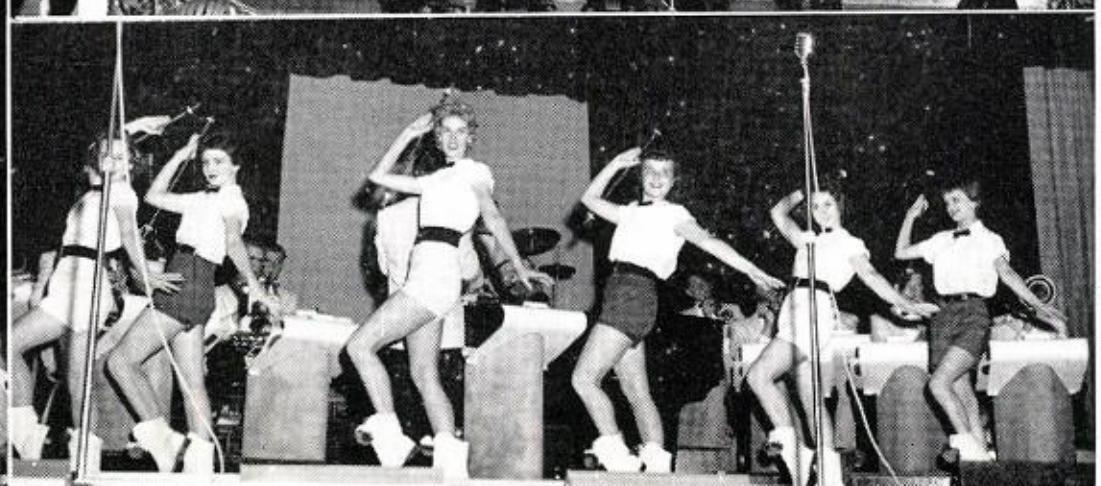
St. Rita turns out good men! Why? Much of the credit goes to the mothers of the students because, as the saying goes, "Where you find a good son you'll find a good mother!"

The St. Rita mothers have proven themselves again this year, as the Mothers Club under the guiding hand of Father John Flyn, O.S.A., had a banner year. Their Christmas and bingo parties highlighted the year's program. When it comes to loyalty and devotion, our mothers are a match for the best—God bless them!

Christmas Ball

'Twas not the night before but the Saturday night before Christmas. Nor was there a lack of stirring because several hundred couples were dancing there — in the gym. 'Twas a beautiful sight though — the annual Christmas Ball. The gym was set up in cabaret style with tables along the sides of the gym and waiters serving from the Coke Bar. In the center of the gym was the gaily decorated tree and streams of evergreen branches with lights and icicles produced the effect of a ceiling. Johnny Allen's popular orchestra set a fitting tempo for this — the first couples dance sponsored by the Band, which the Officers of '57 under the presidency of Larry Puchalski instituted as a new tradition. It is hoped that the Christmas dance will become not only the most popular dance but also the loveliest affair of the school year.

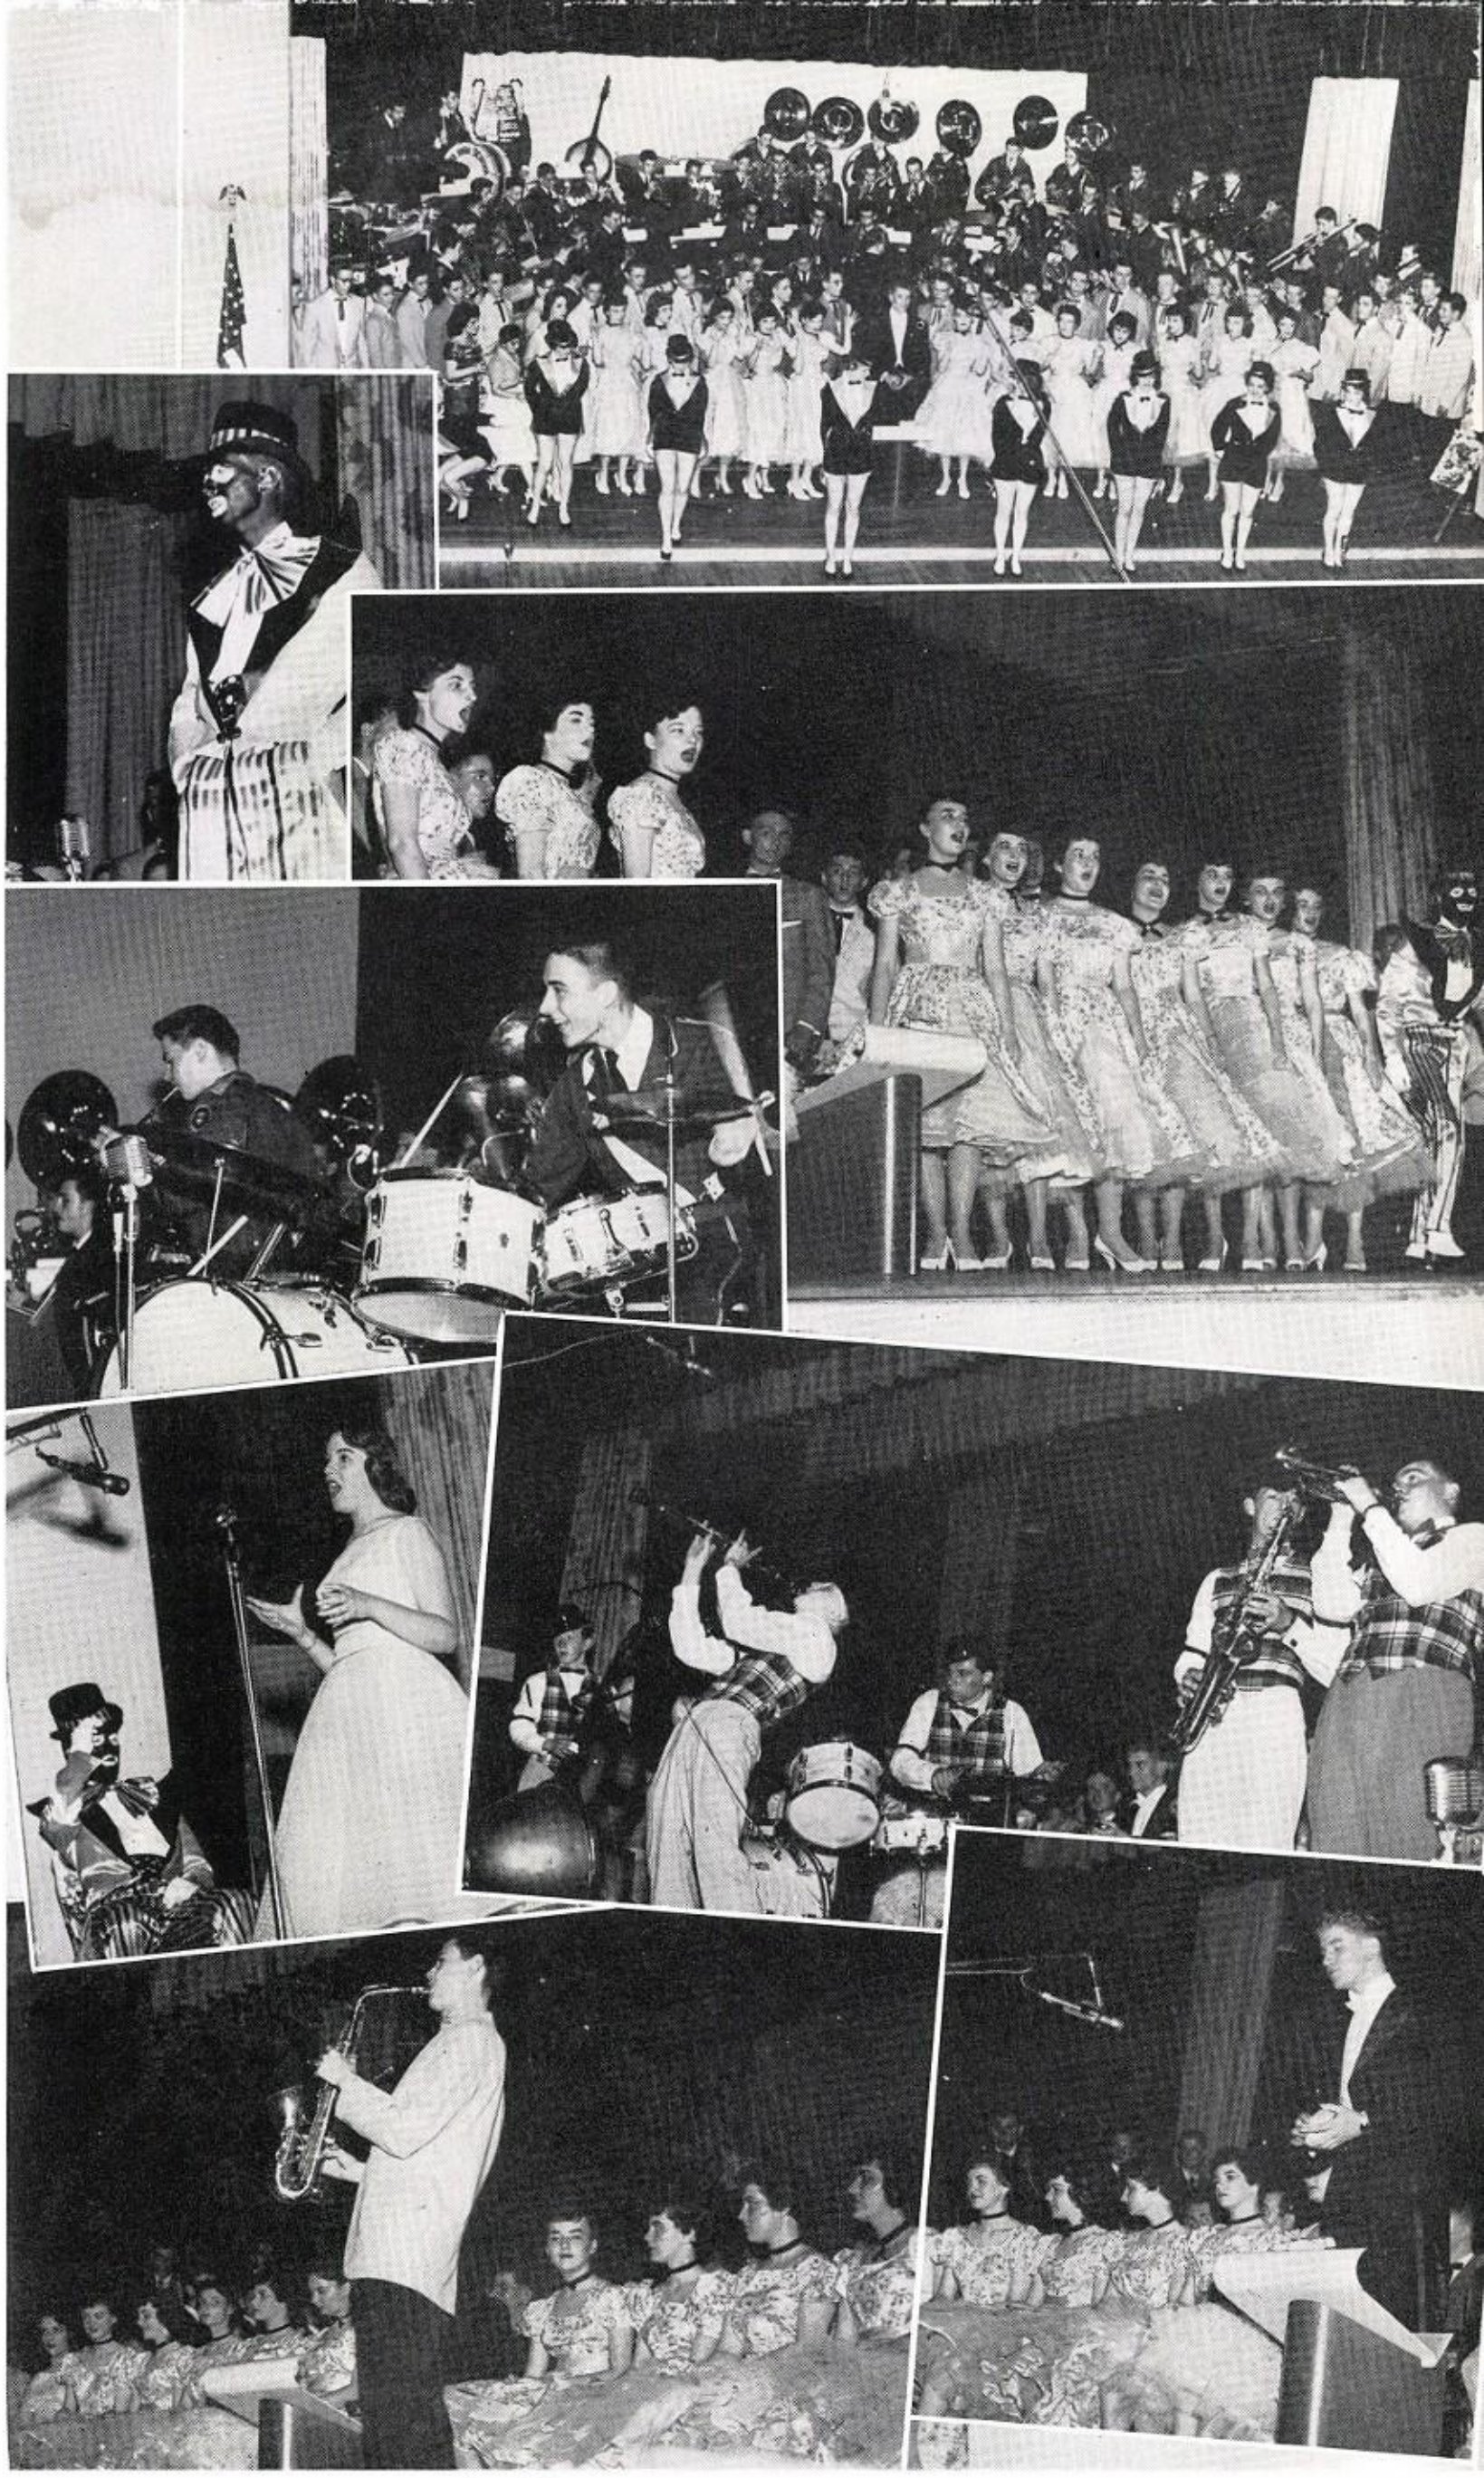
Swing Revue



Maria Auditorium was the setting for the Swing Revue of 1957 to accommodate the ever-increasing audiences for this popular event of the mid-winter season. This year's Swing Band, acclaimed as the best school dance band in the city, presented a program of classical swing in concert form featuring works made famous by such stylists as Stan Kenton, Woody Herman and Glen Miller. Special tribute this year was made to Tommy Dorsey as Eddie Danber soloed on his theme, "I'm Getting Sentimental Over You," followed by "Song of India" and "Opus No. 1." Other Seniors featured were Sam Kuizin, Fred Hindel, Terry Sexton, Bob Krygowski, Joe Okon, Ron Tokar, Larry Puchalski and vocalist Dennis McKenna, who also teamed with "Longwood's Gift to Rita", Miss Maricolette Powers.

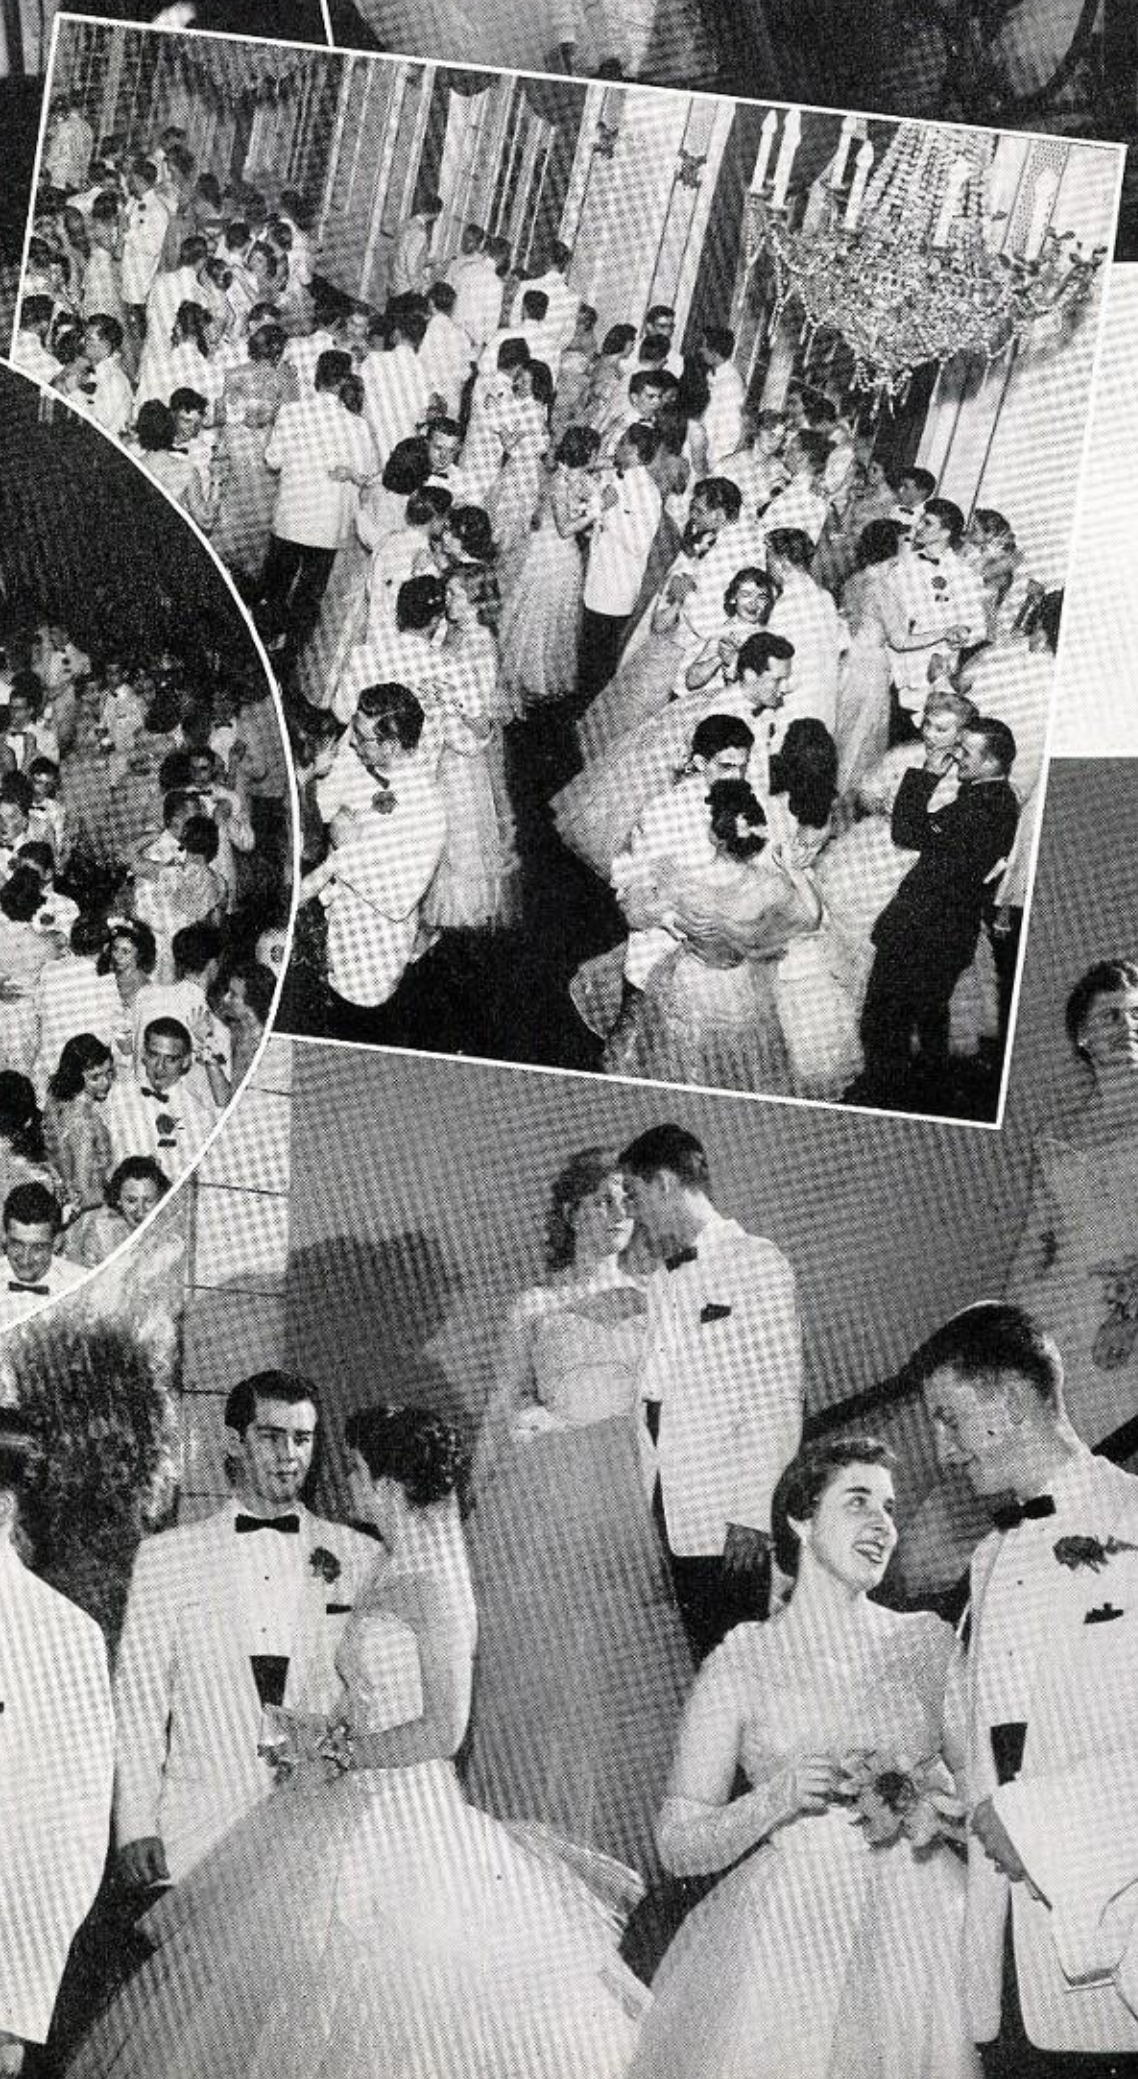
"Song and Dance Time" the Spring Festival

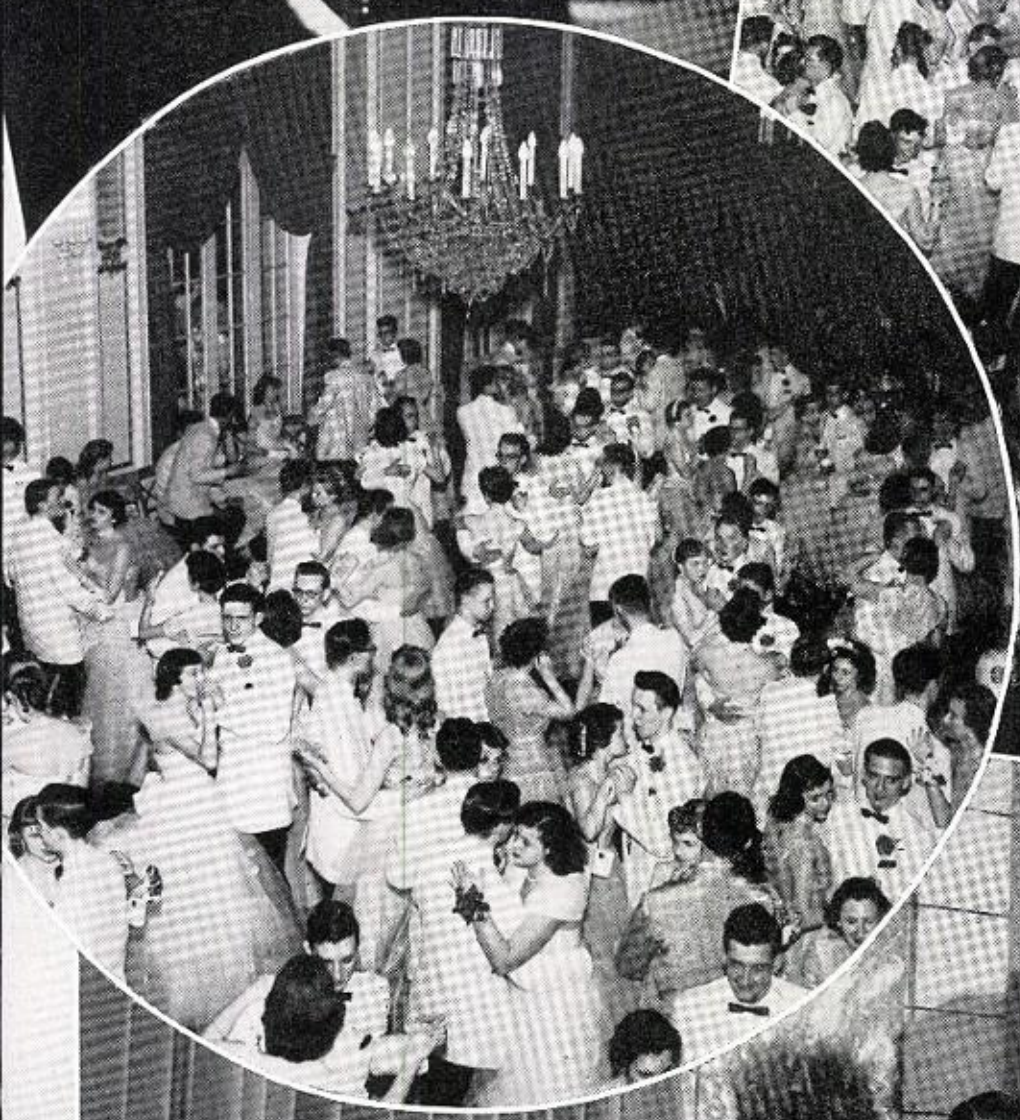
Each May the concert band provides hours of fun and entertainment for young and old, "long-hair" and "rock-n-roll" fans alike. This year was no exception as the band took the stage on three occasions. The main concert was given at Maria High School Auditorium. The highlight of this year's concert was a minstrel show, with songs of the "Old South" and the clowning of the minstrels providing the audience with a night full of harmony and laughs. A new touch was added to this year's show, as the newly-formed Glee Club lended a helping hand and a tuneful voice to the band. It added up to one of the best shows yet!

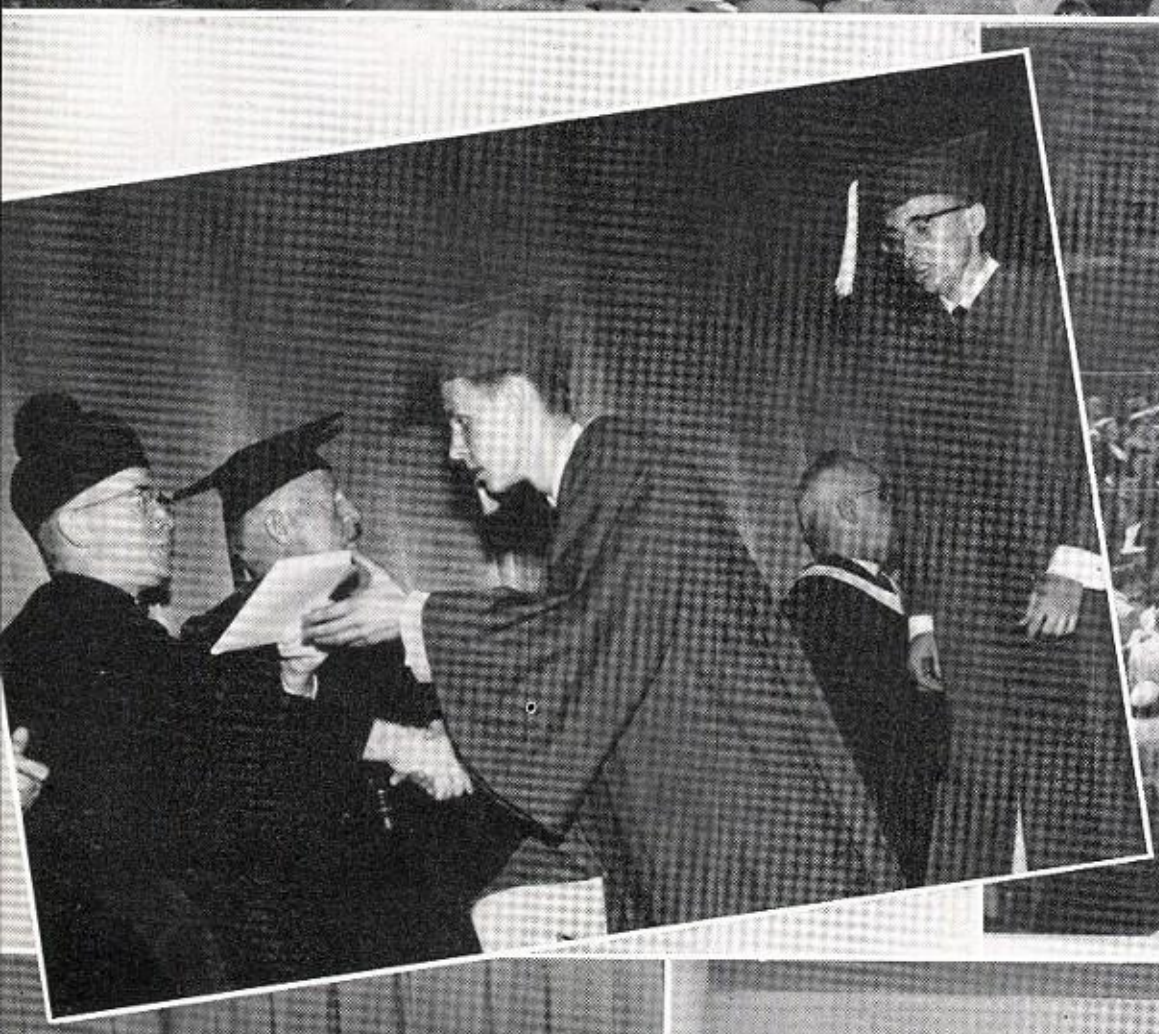


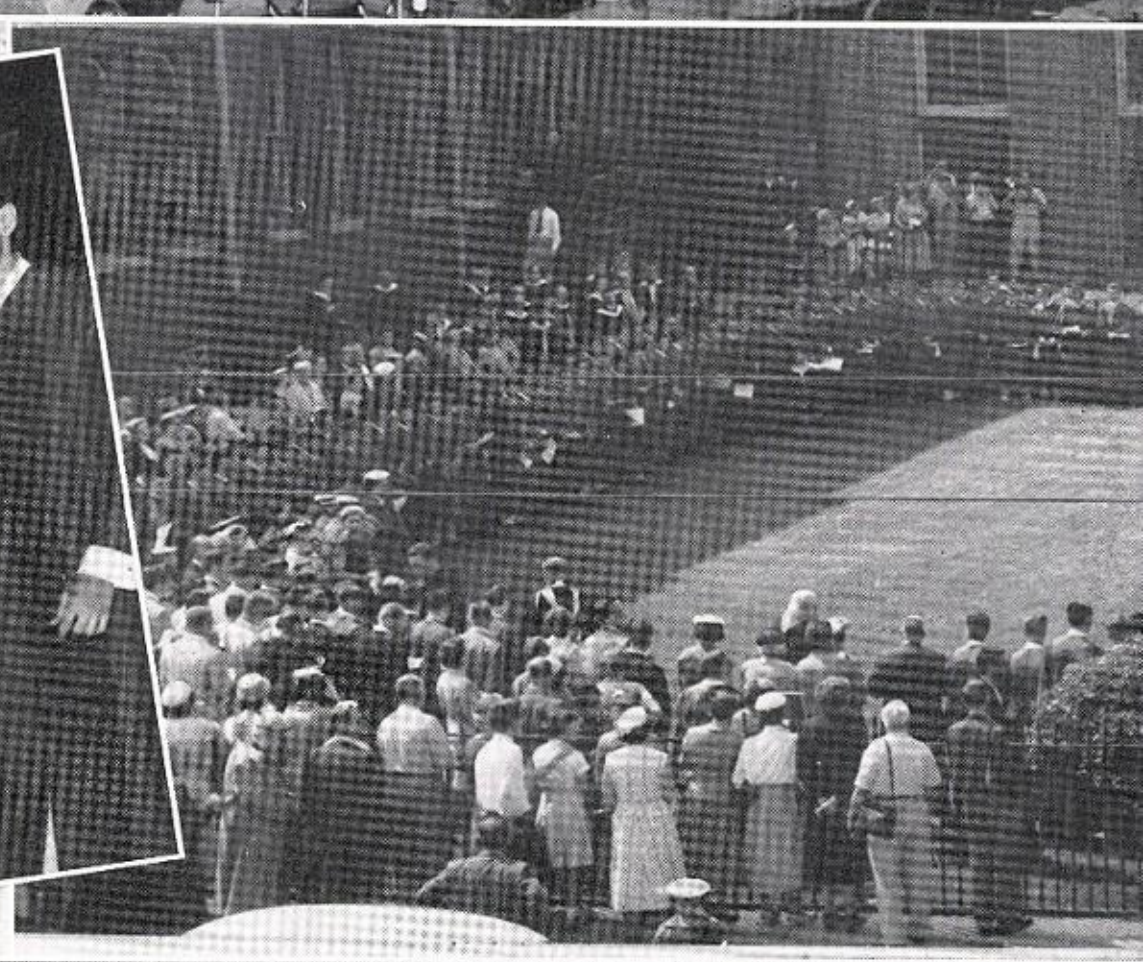
"A Night to Remember!"

Friday night, May 17, marked the biggest social event of the year. The place — the luxurious Grand Ball Room of the Morrison Hotel; the occasion — the Senior Ball. Dick Long and his orchestra set the tempo as spotless tuxedos and colorful white, blue and pink formals whirled and dipped to their hearts delight. It seemed strange to see faces you knew so well sticking out of a tux (you almost felt like introducing yourself), but being dressed "to show" didn't stop anyone from joining the fun and having a good time. And why not! It was the last big school dance, "the big one", a night to tuck away in your memories for a lifetime.









The End...and the Beginning

Graduation marks the last steps in one world, and the walk into another. Four years come to a fitting close with thanks first going to God, as the senior class kneels together at Mass for the last time. Finally, the eyes of families and friends looking on and filled with pride, diplomas come to hands that have worked and waited for four long years. The books of high school are closed now, and the larger book of life — fully living what we have learned — is opened.

Mustangs Enjoy Successful Season

St. Rita's Mustangs enjoyed a successful season this year, finishing third in the powerful South Section, which proved to be the league's toughest loop. They were led by a new skipper, Chuck Rheinschmidt, who was the line coach under Ed Cody, and moved up to the head position when Mr. Cody resigned to accept a college coaching job.

The Mustangs dropped two pre-season warmups to Gordon Tech. and St. George, but shifted into high gear when the regular season got underway. They rolled over their first three opponents — St. Mel, Mendel, and St. Elizabeth — and were the sole possessors of first place. However, the "Red and Blue" lost a heartbreaker to Mt. Carmel and were defeated by Leo's fiery Lions as Lady Luck turned her back to the Rita eleven on two successive Sundays. They got back on the victory trail in the last league game by tumbling De La Salle, to post an impressive 4-2 mark for their efforts in the league campaign.

Rita then moved into the playoffs but were eliminated in the quarterfinals by highly-rated St. George.

We bid farewell to all the seniors of the 1956 St. Rita grid squad: John Herman, Jerry Doyle, Ray Schaak, Lou Antonacci, Ron Marolda, Pete Caruso, Jack O'Rourke, Don Pikulski, Tom Tierney, and Ray Tuminello. May God reward them for the thrills they gave us each Sunday on the gridiron, and the bumps and bruises they took doing it.

ST. RITA 19 — GORDON 25

The 1956 St. Rita grid season got off on the wrong foot with the Mustangs falling before a highly improved Gordon Tech eleven in an exhibition game.

The "Red and Blue" drew first blood on a Marolda-to-Herman TD aerial and Jerry Doyle's plunge for the extra point. The northsiders bounced back with two scores in the first half and another in the third period to take a 19-6 edge. The Mustangs then came back with two TD's to knot the score at 19 apiece, but then Gordon tallied on a 65-yard run to take the decision.

ST. RITA 14 — ST. GEORGE 27

The Mustangs met St. George's Dragons in their second exhibition game, and dropped a heart-breaker.

The two teams squared off at Lane Tech Stadium and battled to a 7-7 deadlock at half-time with Jerry Doyle blasting 2 yards for the TD and tackle Ray Schaak toeing the PAT.

St. George whipped across two quick scores in the third period to gain the lead that they never relinquished.

Marolda rifled an aerial to Herman for the other Mustang tally, and Schaak converted again, but it wasn't enough to overtake St. George.

ST. RITA 32 — ST. MEL 20

With the experience gained from the exhibition games, our league schedule got off on the right foot. St. Mel felt the kick.

Doyle and Herman provided the "Red and Blue" scoring punch, tallying two times apiece as Rita toppled Mel in the first league game. Krupski also tallied on a 5-yard dash. Schaak added two extra points.

The Mustangs were on the short end of a 20-14 score at the end of three periods, but burst forth with an 18-point spurt in the fourth and final quarter to annex the victory.

Doyle and Herman collaborated to treat the crowd to a thrilling pass play in which Doyle started to run wide and then lofted a 60-yard aerial to Herman who carried the pigskin into the Mel endzone.

ST. RITA 19 — MENDEL 12

The Mustangs made it two in a row with a 19-12 conquest over their arch-rivels, Mendel's Monarchs, leaving St. Rita in a deadlock for the South Section lead.

It wasn't until the last play of the first half that the Ritans broke the scoring ice with the Marolda-to-Herman combo teaming up for the TD. Schaak's PAT attempt was low, and Rita was on the long end of a 6-0 score at halftime.

Four plays after the third quarter got underway, the Mustangs crossed Mendel's goal for the second time, with Jerry Doyle racing around end for 8 yards and the tally.

Rita scored once more, this time it was a 66-yd. jaunt by Doyle; O'Rourke rammed over for the extra point.

Although the Monarchs crossed the "Red and Blue" goal-line twice, Rita held its lead.

ST. RITA 32 — ST. ELIZABETH 0

The Mustangs notched their third consecutive victory against no league losses, thus entitling them to the undisputed possession of first place in the South Section. Doyle and O'Rourke, flashy Rita backs, led the 32-0 drubbing by dealing all the fatal blows in five touchdowns. Jerry Doyle accounted for three and Jack O'Rourke tallied twice.

"Yocko" Herman split the goal-posts with a pair of extra points to complete the route.

ST. RITA 6 — MOUNT CARMEL 13

Rita suffered their first league setback at the hands of Mt. Carmel's Caravan, 13-6, in a spine-tingling encounter at Soldier Field.

The Mustangs fought Carmel to a scoreless draw at the half, but fell behind 7-0 in the third period. They came back on a Marolda-to-Antonacci pass that covered 33 yards and netted the Ritans a touchdown. Herman's try for the PAT was blocked and the Mustangs were still one point shy of Carmel.

The Caravan scored again, and although the "Red and Blue" fought valiantly and desperately, they could not erase the Carmel advantage.

Besides having to endure their first league defeat, the Rita eleven was severely hurt as Jerry Doyle received a concussion in the course of the action.

ST. RITA 7 — ST. LEO 33

The Mustangs, in a first-place South Section showdown at Shewbridge Field with the Lions of Leo, fought hard and gamely against the mighty Lions. Their spirit was outstanding, as was the spirit of the student body throughout the year.

The only drawback was that the Ritans were playing without the services of their star back Jerry Doyle who was injured in the previous game. The "Red and Blue" took the opening kick-off all the way into the Leo end-zone, with Jack O'Rourke going the last 4 yards and also charging over for the extra point.

The Lions then took over with their hard-charging team and scored five touchdowns and three PAT.

The loss set the Mustangs back into a third place tie with Mendel.

Football

ST. RITA 20 — DE LA SALLE 18

St. Rita closed out the regular season and qualified for the Catholic League playoffs by beating De La Salle's Meteors 20-18.

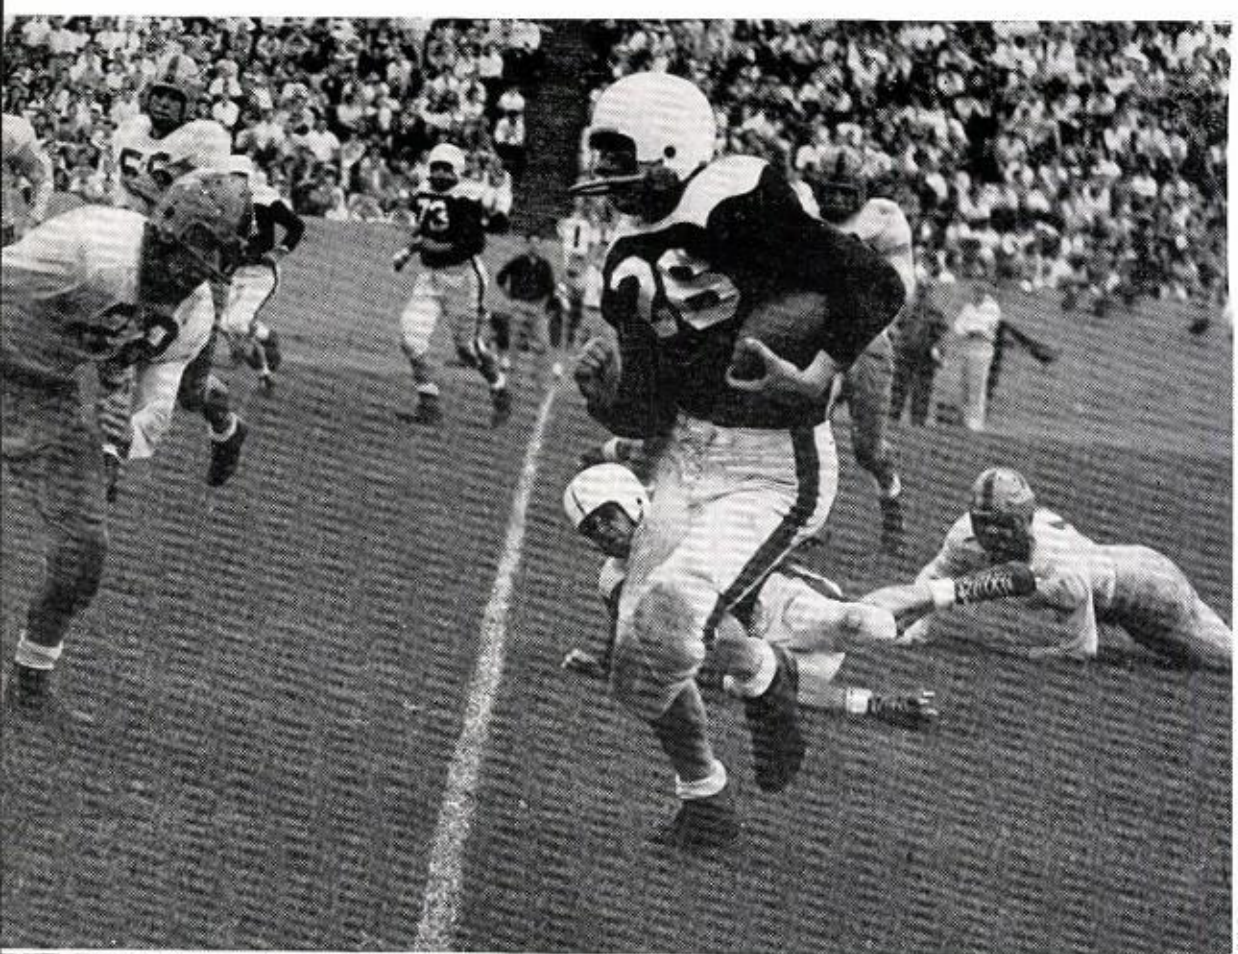
Jerry Doyle, returning to the line-up for the first time since suffering his head injury in the Carmel game, sparked the Mustangs to the victory with repeated bone-crushing drives.

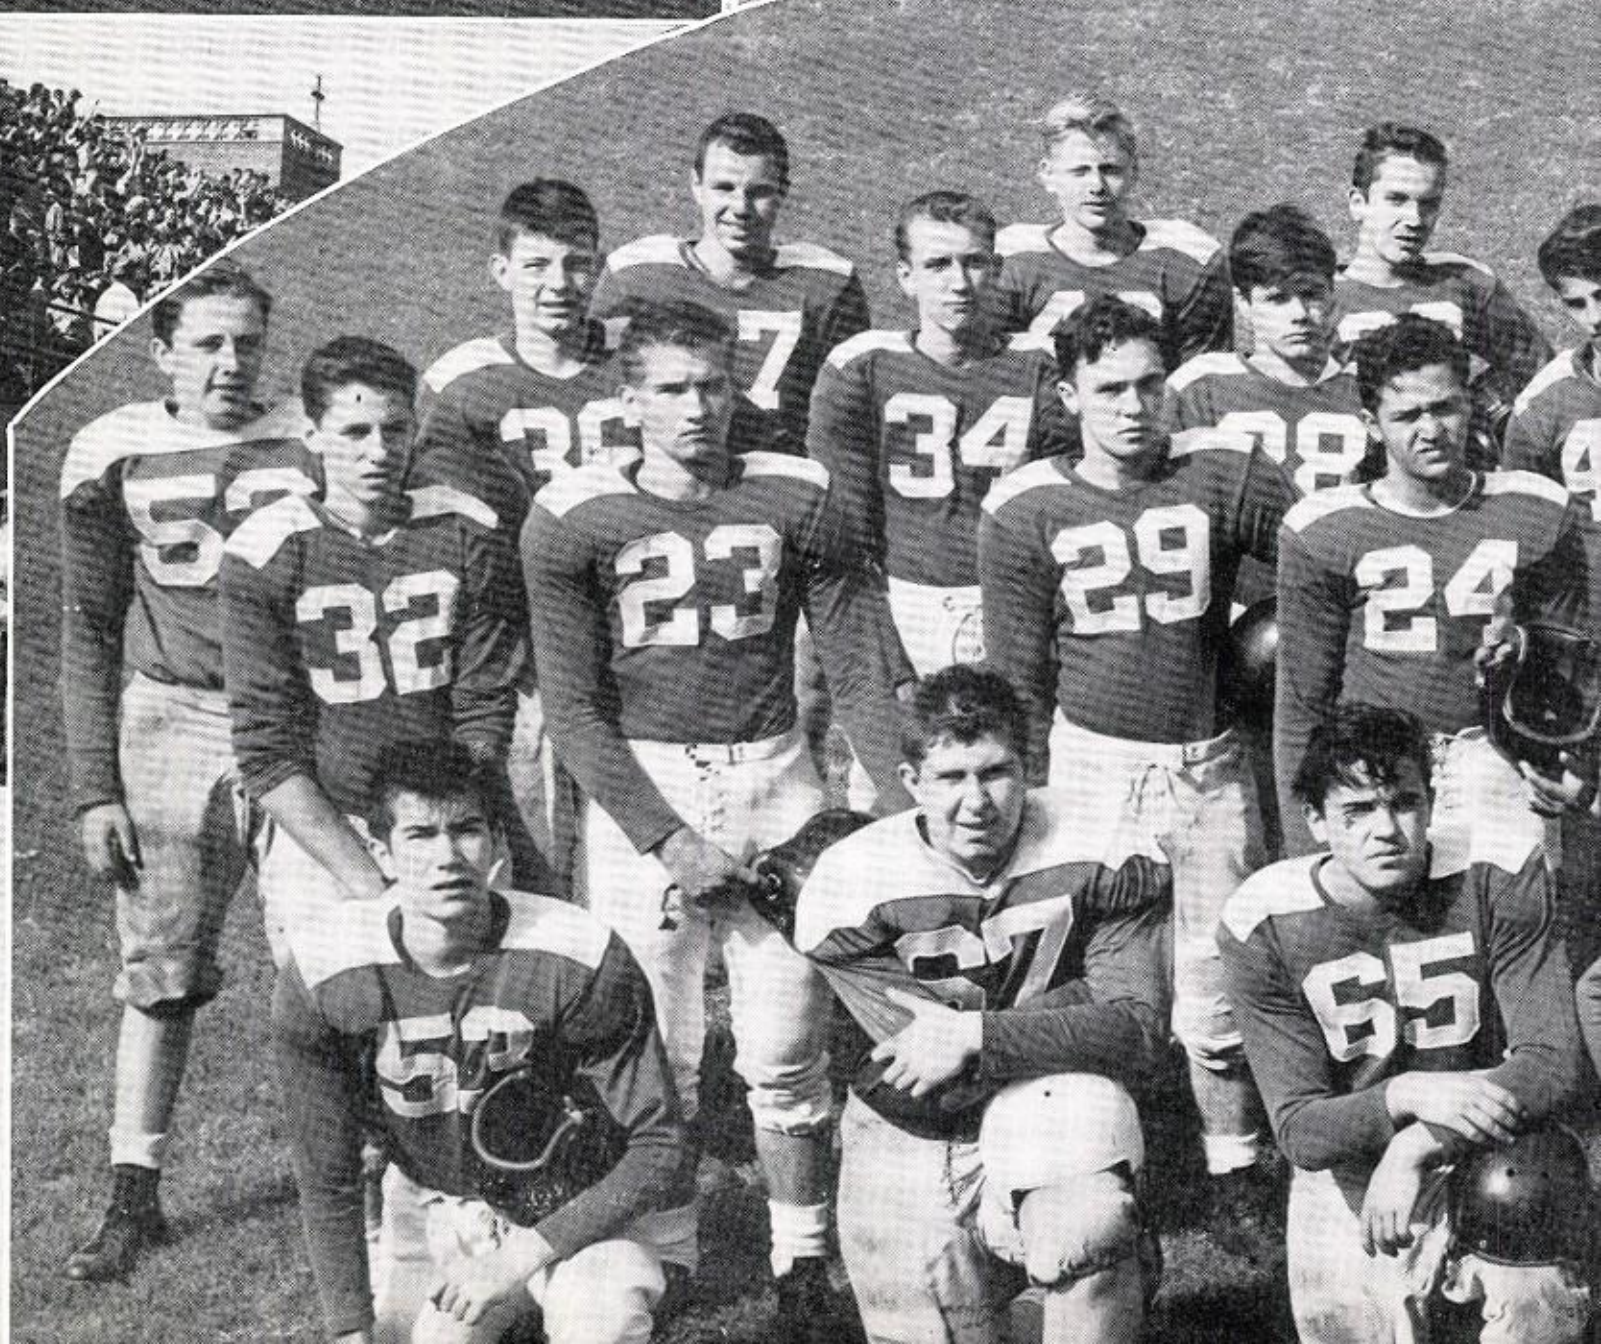
The Ritans drew first blood when Herb McGuire, the Mustang field general, lofted an aerial to "Yocko" Herman who legged it into the end-zone.

ST. RITA 0 — ST. GEORGE 28 . .. Playoff Game

St, Rita's Mustangs fell before the mighty St. George Dragons, 28-0, in the quarterfinals of the Catholic League Playoffs.

The one-sided score was deceiving for the Ritans played a fine game and were strong in defeat. The "Red and Blue" repeatedly threatened to score and even had one touchdown called back because of a penalty.





Freshman Football

The freshmen football team was small in size this year, and outweighed by almost every team it faced. But the players learned with the bumps of each game, and refused to give up. Their grit payed off as they finally tasted victory in the last two games. The schedule was made up of games with Mendel, Loyola, De Paul, Gage Park, and Mt. Carmel.

There's more to football than throwing a pass and carrying the ball, and its as freshmen that our future varsity men "learn the ropes". They pick up the ABCs of blocking and tackling, and gain game experience, all so necessary before moving up to the varsity in the years ahead.

Strikes and Spares

Bowling hit a new high at St. Rita during the past year. The sport's growing popularity in Chicago and over T-V is reflected among St. Rita students, with about 300 taking the alleys each week at Gage Park Recreation. So many were eager to bowl this year that Father Senke, O.S.A., had leagues bowling on Tuesdays and Thursdays, and a travelling league on weekends. Even two priest teams bowled this season, sparking the interest and competition. A picked team had a few matches with other high schools, our bowlers more than holding their own. The bowling craze has really caught a firm hold at St. Rita, with interest on the upswing each season.

Heavyweight Varsity Basketball

Neither the heavies nor the lights enjoyed a successful season in 1957. Both finished the campaign with 3-9 records, the heavies tying for fifth place and the lights for the fourth spot.

The heavies sported a very commendable 10-3 practice game mark, but they had to play their first six conference encounters away and it took a lot out of them. However, just 36 points placed in the right spots could have reversed their league slate to 9-3 and the third slot, since they lost six games by seven or fewer points.

The two brightest stars on the heavies were Joe Scanlon and Johnny Valaitis, who finished seventh and eighth in scoring and gained many all-star votes.

Like the White Sox in recent years, the lights are saying "Wait till next year." The lights surely present a formidable ray of hope in the fact that they lose only two players through graduation, "Duke" Murtaugh and Dan "Moose" Musielak, and only Murtaugh was a starter. If all the returning lettermen measure in, the junior Mustangs will no doubt be a strong contender for the Catholic League championship.

We bid farewell to the senior players and wish them luck.

1st League Game
ST. RITA 69 — ST. MEL 75

The Mustangs dropped a tough 75-69 decision in the league opener against St. Mel's Knights. The "Red and Blue" cagers gave a good account of themselves and held a 38-35 halftime lead, but couldn't stave off the continuous Knights drive. John Valaitis and Al Zvinakis shared the high scoring honors with 16 and 14 points respectively.

2nd League Game
ST. RITA 69 — MENDEL 55

The Ritans gained their first conference victory by crushing their Augustinian rivals, the Mendel Monarchs, 69-55.

The Mustangs, paced by Johnny Valaitis' 31 tallies, took a 36-24 lead at halftime and were never seriously threatened after that, as they coasted to the victory.

3rd League Game
ST. RITA 55 — ST. ELIZABETH 85

The Mustangs fell before the steady onslaught of the powerful St. Elizabeth Ironmen, 85-55. The Ritans gave a good account of themselves in the final half, but the Ironmen got hot in the third period and pulled away, although Rita outpointed them in the final quarter. Joe Scanlon chalked up 26 markers in the losing cause.

4th League Game
ST. RITA 61 — MT. CARMEL 64

The "Red and Blue" lost a "tough one" to Mt. Carmel in an overtime contest. The defeat was doubly hard to digest since, at one point in the second quarter, the Mustangs enjoyed a 16-point cushion, 33-17. However, Mt. Carmel came back strong in the second half and in the final seconds tied the score at 61 up, sending the game into overtime. The Caravan dropped in a basket and a free throw while holding the Ritans scoreless, to dominate the overtime.

5th League Game
ST. RITA 60 — ST. LEO 66

The Mustangs suffered their third straight defeat this time at the hads of Leo's Lions, 66-60. The game was close all the way, with Leo finally pulling out the win. Valaitis dropped in 23 points and Scanlon basketed 18, but it wasn't enough to turn the tide.

6th League Game
ST. RITA 34 — DE LA SALLE 53

The Ritans again were subdued, this time by the De La Salle Meteors. The Mustangs employed both a press and a stall to try and upset the highly touted De La Salle quintet, but found themselves on the short end of a 10-2, 1st quarter score. The Ritans bounced back in the second period and were only down 5 points at halftime, but it was to no avail.

7th League Game
ST. RITA 55 — ST. MEL 58

After playing their first six league games on foreign courts, St. Rita came home for the second round of the season. We dropped a 55-58 heartbreaker in a double overtime.

8th League Game
ST. RITA 69 — MENDEL 57

Rita, sparked by Scanlon's 29 points, finally snapped their losing streak by thoroughly routing Mendel, 69-57.

The Mustangs jumped out to a big 38-17 advantage, catching Mendel off-guard by an effective full court press early in the game. Using substitutes freely in the second half, St. Rita coasted to victory.

9th League Game
ST. RITA 43 — ST ELIZABETH 55

After giving an outstanding exhibition of their basketball talents for three quarters, the Mustangs unfortunately weakened and then fell to St. Elizabeth, 55-43, at home.

Valaitis headed the strong — but — not — strong enough Rita attack, gathering 18 points.

10th League Game
ST. RITA 65 — MT. CARMEL 47

The "Red and Blue" tasted the sweetness of vengeance as they annihilated the Mt. Carmel Caravan, 65-47, in their return meeting at St. Rita.

After a nip-and-tuck first quarter, the Mustangs began to roll and before the stunned Carmelites could recover, Rita had gained a commanding lead that they never relinquished.

Scanlon with 19, Praupolenis with 17, and Valaitis with 15 tallies paced the Ritan onslaught.

11th League Game
ST. RITA 62 — LEO 69

The Mustangs dropped a tough 69-62 decision to Leo, after yielding their halftime advantage.

The "Red and Blue" cagers fought a valiant battle all the way, never letting Leo get too far ahead, but they couldn't muster the power to overcome the Lions.

Scanlon and Valaitis with 19 and 15 markers, respectively, took the scoring laurels.

12th League Game
ST. RITA 43 — DE LA SALLE 48

The Mustangs closed the conference season on a sad note, dropping a narrow 48-43 tussle to De La Salle.

However, the Mustangs came within reaching distance of derailing the sectional leaders, De La Salle. For almost the entire first three periods, the Mustangs clutched a 5-8 point bulge, but the Meteors grasped a tie just before the start of the fourth stanza, and then won in this final session.

1st League Game
ST. RITA 56 — ST. MEL 64

Although they played a fine game throughout, the Mustang lightweights dropped their 1957 league opener. They fell to the St. Mel Knights, 64-56, after leading at halftime and staying in the battle all the way. A consolation was Jim Harrington's taking the scoring laurels for the Mustangs with 24 points.

2nd League Game
ST. RITA 51 — MENDEL 54

Lady Luck turned her back to the "Red and Blue" once again as after waging a valiant struggle with Mendel, they fell to the wayside, 54-51. "Duke" Murtaugh captured the Rita scoring accolades with 14.

3rd League Game
ST. RITA 42 — ST. ELIZABETH 46

Again the Mustangs dropped a narrow decision, this time bowing to the St. Elizabeth Ironmen in a 46-42 heartbreak.

Rita, paced by Harrington's 13 markers, were never out of the fight, but Elizabeth, playing a slow, control game, kept just ahead throughout.

4th League Game
ST. RITA 67 — MT. CARMEL 73

The Ritans continued in their fruitless efforts as Carmel whipped them, 73-67. The two quints were separated by a mere one point going into the final period, but Carmel put together an unexpected rally that pulled them safely into the lead. Harrington repeated as high scorer for the third time in the first four encounters, this time with 24.

5th League Game
ST. RITA 45 — LEO 77

Rita's losing skein slumped to five straight as the Leo Lions thumped them, 77-45. It was no contest against the superior Leo five and Rita trailed all the way.

6th League Game
ST. RITA 49 — DE LA SALLE 78

The Mustangs completed the first round of league play without a single triumph as De La Salle trounced them 78-49. After a tight first quarter, the roof caved in on the "Red and Blue", and De La Salle coasted to the victory.

7th League Game
ST. RITA 60 — ST. MEL 57

Coming to their home court after the six strenuous away games and playing before a home crowd perked up the Ritans as they annexed their first conference win, 60-57 over Mel. Led by Harrington's rebounding and scoring, the Mustangs dominated play in every quarter but the last, and led throughout.

8th League Game
ST. RITA 54 — MENDEL 52

The Mustangs made it two in a row, avenging their earlier defeat to Mendel with a 54-52 conquest. No more than two points divided the two squads at the end of any quarter, but it was the Mustangs who happily came out on the long end of the score. Murtaugh showed superb defensive play intermixed with 15 points to gain top honors.

9th League Game
ST. RITA 46 — ST. ELIZABETH 53

The Mustang dreamland was suddenly burst into stark reality as Elizabeth administered a 53-46 shellacking.

Rita played a good determined game, but, due to a poor third period, were not able to secure the win.

10th League Game
ST. RITA 59 — MT. CARMEL 47

The Mustangs trampled Carmel's Caravan, 59-47, in their return match for their third win at home. They began to pull away in the second and had no trouble in the last half.

11th League Game
ST. RITA 37 — LEO 71

The Mustangs again were mauled by Leo, this time to the disdainful tune of 71-37. There was no stopping Leo, however hard they tried, and Rita was forced to go down to defeat for the eighth time in eleven outings.

12th League Game
ST. RITA 55 — DE LA SALLE 61

The game St. Rita five closed out the '57 season on a sad note, losing to De La Salle 61-55. They gave a good account of themselves during the entire game, and with a few breaks could have reversed the outcome.

Baseball

Football and basketball get most of the spotlight in high schools, while baseball, although America's national sport, is the "forgotten sister." And yet, down through the years St. Rita has won more championships and league titles in baseball than in any other sport. In fact, so the story goes, the regular Catholic league "busted up" because St. Rita won too often. The competition gave up.

To keep alive that winning tradition in baseball, a large number of students turn out each spring, more than enough for the varsity. A frosh-soph team is fielded, too, and many of the players stick together during the summer representing St. Rita in various leagues. This all adds up to explain Rita's winning ways on the ball diamond.
